## ACCEPTANCE LETTER

Dear Olikh Oleg, Zavhorodnii Oleksii;

We are glad to inform you that your study (abstract) entitled “**ID- 144 Evaluation of iron contamination in silicon solar cells via photovoltaic parameters** ” is accepted for oral presentation by the conference committee of The 11. European Conference on Renewable Energy Systems.

**At least one author of each paper** should register to the conference via the online registration page at <https://www.ecres.net/ecres>. According to regulations, we deliver our Conference Proceedings via web-site just after the conference.

*Please also note that your registration becomes valid after your payment.* Please follow the instructions at the registration page. If you have registered once, please do not register for second time.

You can follow the latest news about the conference from the website. You can participate at the conference with your abstract or full-text paper. You can replace your abstract with a full-text paper till the deadline is over. We have a unique deadline for both abstract and full-text paper. For replacing your abstract with the full-text paper (maximal 6 pages), simply login to the online submission console with your earlier Login and Pass and click “*Manage Submission File*” button and upload your full-text paper, if you wish. **If you have already submitted the full-text paper, please do not take into account the above statement.** You can also use this acceptance letter for all official permission and the visa requirements in your home country.

We would like to thank you for your interest and we are looking forward to seeing you in the ECRES 2023

Yours sincerely,

**Prof. Dr. Māris Klaviņš**  
Co-Chairman for ECRES 2023  
University of Latvia, Latvia
