### Invitation Letter

To whom it may concern,

I am writing on behalf of the Organizing Committee of the International Workshop on Positron Studies of Defects 2024 (PSD-24) and the associated Summer School. We are delighted to invite Prof. Oleg Olikh from Taras Shevchenko National University of Kyiv to join us as a key presenter at PSD-24. We are pleased to offer a special discount on the PSD-24 registration fee, reducing it from 750 euros to an amount that Prof. Olikh can afford, considering the current situation in Ukraine.

The PSD-24 Conference will be held at the Sala Bianca, Social Theatre of Como from September 2 to 6, 2024.

We believe that the participation of Prof. Oleg Olikh would significantly enhance the quality and impact of our workshops, and we sincerely hope that you will be able to join us.

Should you require any further information or assistance regarding Prof. Olikh's participation, please do not hesitate to contact me.

Thank you for considering this invitation.

We look forward to welcoming Prof. Oleg Olikh to our events.

Warm regards,

Sincerely,

Dr. Rafael Ferragut  
Associate Professor  
Department of Physics,  
Politecnico di Milano
