

## ECRES 2021 VIRTUAL PRESENTATION GUIDE

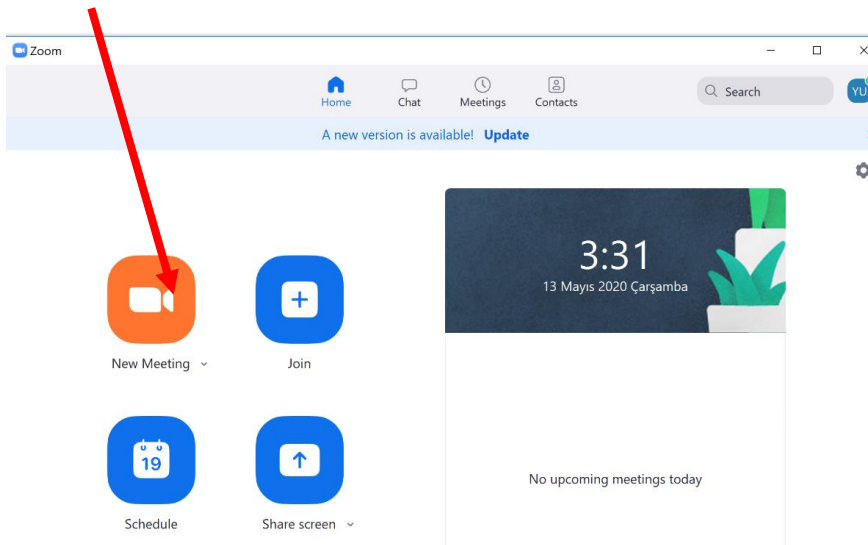

- Zoom software will be used for virtual presentation.
- Each presenter will record a presentation video with 10-12 minutes duration, and please send to [ecres2021@gmail.com](mailto:ecres2021@gmail.com) (If you video size is high, you can use Google Drive, Dropbox, WeTransfer or other platforms). The name of file will be Paper ID Number.
- Your recorded video siz must be smaller than 100 MB.
- Your voice must be in your presentation but your video is optional.
- You should prepare a Power Point (ppt) slide and present it using Zoom (You can use other screen capture softwares)
- We will play your recorded video during the conference, and if possible you should connect to conference room for questions during the your presentation. (We will send meeting link for connection)

**Deadline for sending video: 5 April 2021**

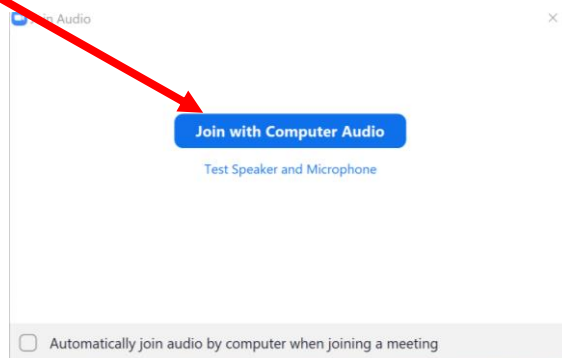

(Please send your video before this date, otherwise your paper will be removed.)

### Video recording using Zoom (You can also use different software)

1. Open you ppt presentation.
2. Click Slide Show / View Show (or F5) and start presentation.
3. Install the Zoom clicking the link: <https://zoom.us/client/latest/ZoomInstaller.exe>
4. Create a membership and log in.
5. Start a new meeting with video.

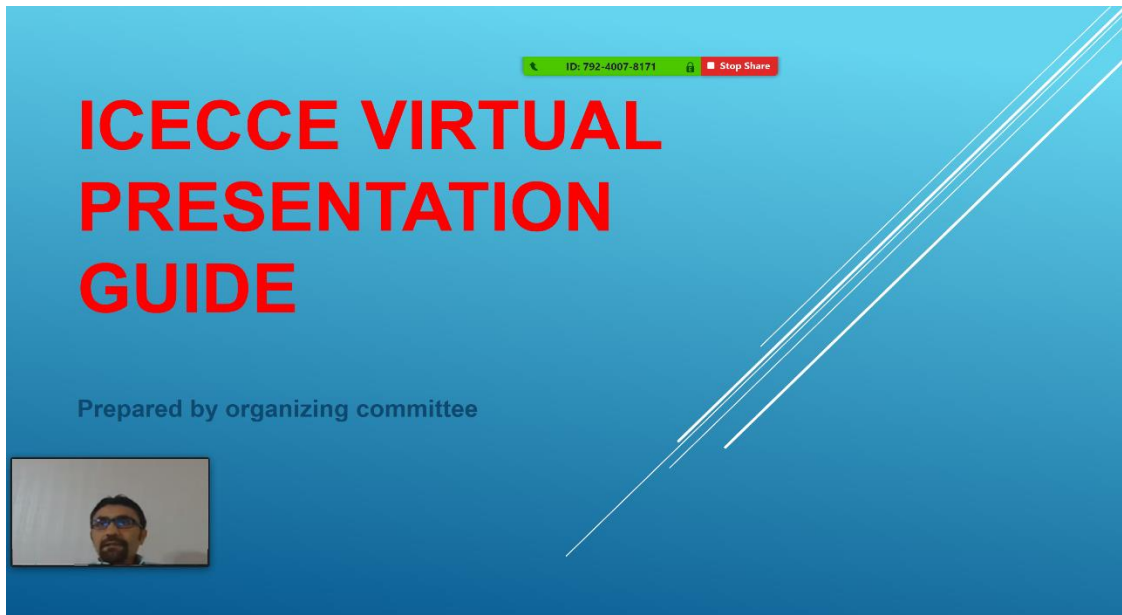

6. Click here from the next window

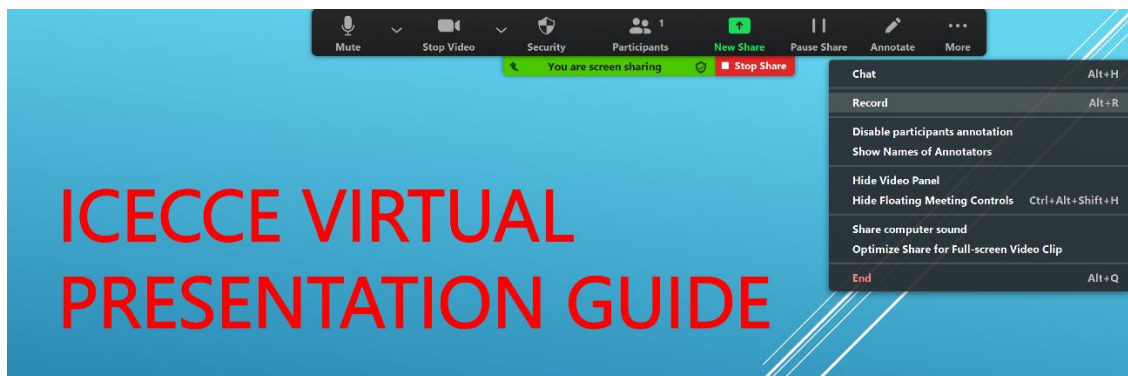

7. Your Zoom screen will appear. Select Share Screen, you will see the opened windows. Then select your ppt presentation.

8. Your screen will be as following Picture, you can move your view anywhere on the screen.

9. To record video, click to More/Record from top menu.

Now you are recording video with sound. You can present your paper.

After presentation, you can end the recording using End Meeting.

If you end the recording, Zoom will convert your video to mp4.

Then you can send us this video in any way. (by e-mail, dropbox, wiretransfer, Google drive etc...)
