

**International Conference on
Electrical, Computer, Communications and Mechatronics Engineering**
<http://www.iceccme.com>

31/08/2021

INVITATION LETTER

Dear **Assoc. Prof. Dr. Oleg Olikh**
Taras Shevchenko National University of Kyiv
64/13, Volodymyrska Str., Kyiv, 03028, Ukraine

Thank you for your submission to the ICECCME 2021 conference. We are pleased to inform you that your paper entitled **"ID-82: Kinetics of light-induced processes due to iron impurities in silicon solar cells"** has been accepted as a full paper for **oral presentation** by the conference committee of *International Conference on Electrical, Computer, Communications and Mechatronics Engineering (ICECCME)*. The event will take place in Mauritius on 07-08 October 2021 as **online** and **physical** (subject to convenient conditions prevailing in Mauritius for holding physical events in Mauritius, else the conference will be held fully online). **We are invite you to Mauritius to present your paper.**

We strictly follow "no podium, no paper" policy and only the papers that are presented at the conference will be submitted to IEEE Explore for publication. **At least one author** of an accepted paper must register (as a full participant) and participate in ICECCME 2021 online or physically for the paper to be included in the proceedings. If you have not yet registered online (using the credit card or bank transfer options), at least one author of each paper should register to the conference via the online registration page at <https://www.ecres.net/iceccme>. If you have already registered, please do not make another registration. Kindly note that your registration becomes valid only after your payment. The conference program will be communicated in due course.

According to the conference regulations, only those papers which have been duly registered and presented on the conference day are considered for submission to IEEE Explore. The conference program will be communicated in due course.

We would like to thank you for your contribution in ICECCME 2021 and, the pandemic allowing, we look forward to seeing you for a fruitful research and innovation event and for a great time in the wonderful environment of the Paradise Island of Mauritius

Yours sincerely,
